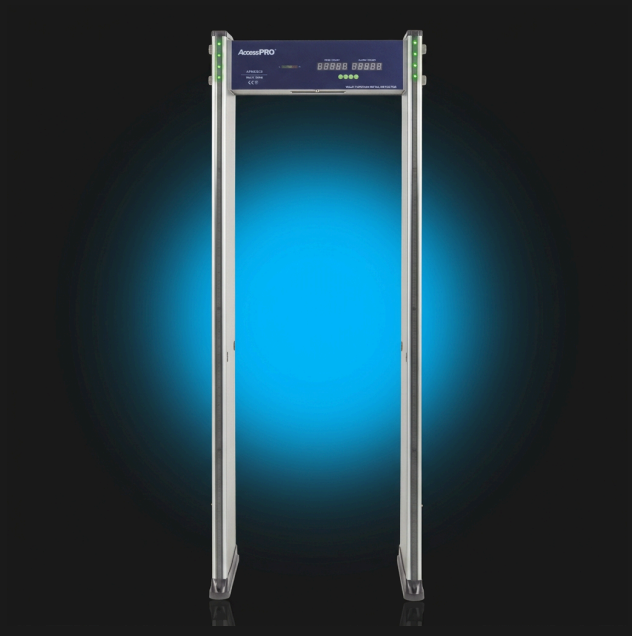
WALK-THROUGH METAL DETECTOR

APMESC6 6-ZONE WALK-THROUGH METAL DETECTOR

Precise 6-zone metal detection with visual alarm location and built-in people counting.



KEY FEATURES / CARACTERÍSTICAS CLAVE

01 6 independent detection zones with precise left/center/right location

02 Detects ferrous and non-ferrous metals from head to toe

03 Over 50 inspections per minute for high-traffic checkpoints

04 Side LED light bars pinpoint the exact alarm location

05 100 adjustable sensitivity levels per zone (0-99)

06 Alphanumeric display for fast, simple programming

07 Digital pulse technology with strong anti-interference immunity

The ACCESSPRO APMESC6 is a 6-zone walk-through metal detector built for indoor checkpoints that demand speed and precision. It detects ferrous and non-ferrous metals from head to toe, pinpoints alarms on side LED bars, and processes over 50 people per minute with built-in pass and alarm counters.

TECHNICAL SPECIFICATIONS / ESPECIFICACIONES TÉCNICAS

Model	APMESC6
Brand	ACCESSPRO
Detection Zones	6 independent overlapping zones
Sensitivity	100 adjustable levels per zone (0-99)
Throughput	Over 50 inspections per minute
Metal Detection	Ferrous and non-ferrous metals
Alarm Indication	Side LED light bars with zone location
Counters	Pass count and alarm count
Password Protection	4-digit user-programmable password
Anti-Tamper Alarm	Triggers after 10 s without valid code
Display	Alphanumeric programming display
Power Supply	110 VAC, 60 Hz
Power Consumption	12 W
Dimensions	90 x 220 x 58 cm
Weight	65.45 kg
Installation	Indoor use (canopy required outdoors)
Warranty	3 years
SAT Key	41111903

FUNCTIONS / FUNCIONES

01 Walk-through screening for concealed metal objects

02 Precise alarm location: left, center or right

03 Passenger and alarm counting statistics

04 Password-protected sensitivity and parameter settings

05 Anti-tamper alarm after 10 seconds

06 Excludes coins, keys, jewelry and belt buckles

07 Safe for pacemakers, pregnant women and magnetic media

08 Quick installation or disassembly in about 5 minutes
